

WELCOMING WEALTH GETTING THERE FROM HERE

I. What frustrations, challenges or fears do you have around money?

II. Take your #1 challenge and turn it into your #1 goal: Make your goal measurable, exciting and real to you. (If your goal is to be pampered, what does that mean to you specifically?) Bring it alive!

III. What steps must you take to make that dream a reality?
(Dreams require funding)

IV. Break your #1 goal into a 90-day goal.
